COMMENT. Mainpiece: Not acted these 9 years. [See 7 Feb. 1757.] Mr J. Aickin hissed.—Mr Holland and Mrs Baddeley played well (Hopkins Diary). Mr Garrick had the honour of being with the King of Denmark Tuesday morning last, and conversed with him for near half an hour on the state of the stage in England and France. The King gave him an elegant gold snuff-box studded with diamonds as a small mark of the great regard he had for his extraordinary talents (*London Evening Post*, 14 Oct.).
