COMMENT. Afterpiece: A Musical Entertainment [by Isaac Bickerstaffe] never acted before. This Piece was performed last Summer at Ranelagh; but though very much approved by the best judges of Musical Composition, by being performed in an Orchestra, lost the better part of its effect. It was thought it would please more in action upon the Theatre; and with the Addition of a New Scene, and Chorus and Ballet suitable to the subject; is now accordingly once more presented to the Public, with the necessary Advantages of Dresses and Decorations (Edition of 1770).
