

*A pickling-pan first, which exceeds all beliefs,  
Jumps and skips to the tune of old English Roast Beef;  
While a barrel so lively, it cannot be said,  
That the beer that is in it can ever be dead, Derry down &c.*

*The tables, chairs, jars, frisk about too, and soon  
The pestle and warming-pan move to some tune;  
The clock too chimes in, and we very well know  
That a clock that don't stand must undoubtedly go, Derry down, &c.*

*But let not amazement your fancies perplex  
The enchantment arose from th'enchanted fair sex;  
A sweet girl was the cause, and girls wonders are rich in  
For we all know sweet girls – are extremely bewitching. Derry down, &c.*
